H.H. THE EMIR'S SWORD FESTIVAL INVITATION PROTOCOL

The Head of Handicapping will assign a rating to each horse that has been nominated or supplemented to the International races.

These ratings will form the basis for the selection procedure, although the Selection Panel will consider all relevant factors. The races are limited to 16 starters (except Dukhan Sprint 14 runners maximum).

The QREC reserves the right, and has sole authority to decide on the number of runners in the race, after careful consideration of any entry's overall standing and potential to perform adequately in the race. Consequently, no entry, whether local or International, is guaranteed selection even if fewer than the maximum 16 starters are selected.
